expression "one anna extra" seems to be misleading. It gives the idea that the increment will be 3 as. for each additional year after 20 years. ~~The word "extra" may perhaps be omitted~~. M. In view of the discussion in paras 22 to 25 of the notes the words "and all ranks below them" may perhaps be substituted for "etc" in the proposed amendment to Art. 372(3) as indicated in pencil in the draft.

30) As the proposed amendment to art. 373(a) is intended to apply only to the D.S. Regt the words "of the D.S. Regt" may perhaps be inserted after Sowars as indicated in the draft.

31) In view of the fact that the effect of both the original and the revised paras 252 of the standing orders are the same as that provided for in the existing art. 374(2) the proposed amendment to this article is perhaps unnecessary.

32) In this connection it may be noted that the age limit provisions contained in Art. 374(2) with the exception of the age limit which is fixed at 55 years for the L.S. Regt were intended to be applicable to both the Regts i.e., D.S. and L.S. (vide para 9 of G.O. No 15-9-03 and para 3 of G.O. No 28-5-03).

The substitution of "under" for "upto" suggests the inference that one of the I.S. Regiment gets his first pension at 18 years and of the L.S. Regiment at 20 years. It is not so in fact. The former gets his pension after 18 years and the latter after 20 years. So the "upto" now existing seems to be more suitable than "under". The "upto" will include 20 and 18 years So that one who has rendered exactly 20 years' service will get gratuity If "under" is substituted he will get neither pension nor gratuity.

No change necessary as the moment 20 yrs service is completed he enters moment is "after 20 yrs service"
